

# The Vine

I am the vine; you are the branches...John 15:5

Social media. It can be a blessing...and a curse.

The likes of YouTube, Twitter, Facebook, Instagram or Snapchat (and I am sure I missed some) have millions of users on a global scale each day. How should a Christian use social media? Should a Christian use social media?

Here are some negatives about using social media:

- It can steal your time.
- Fake news.
- People post without thinking.
- Those posts can be used against you later.
- It often values things that God doesn't value.
- Often, very large and biased corporations control these companies. (Jesus might even have his account suspended today based on some things he said to the Pharisees!)
- People fight and get nasty with friends and with people they have never met before in their life.
- It can take the place of real, in person friendships.
- It can ruin a Christian witness when you post or follow things that are morally questionable or objectionable.

Here are some positives:

- You have the ability to keep up with friends and family you otherwise wouldn't.
- Pictures of family and friends can be shared instantly.
- It can be a platform for positive change.
- Real news. (Good luck figuring this out)
- You can potentially reach millions of people.
- Businesses and organizations can use it as a tool to advertise or keep people informed.

What does the Bible tell us about how to act on social media? Social media isn't evil, just like money isn't evil.

The love of money is the root of all kinds of evil. So don't fall in love with being on social media, but use it wisely as a tool.

James 1:19 tells us we should be slow to speak and slow to become angry. Therefore, don't be so quick to put out a snarky or even nasty comment.

Matthew 5 tells us to let our light shine before all men. So don't be ashamed to talk about Jesus on social media. That is one of the best uses it could have.

But please don't ask me to forward something to twenty people or like or share a Jesus post – and tell me if I don't then I just don't love Jesus enough. I don't do that and I won't be guilt-tripped into doing that.

How does our church use social media? We use it to announce changes or cancellations. We may post scripture verses or post pictures from church activities. We might share a link to a helpful article. Hopefully it can be used as reminders and help to keep people involved. Bottom line is it is a tool we can use to help spread the gospel! **You can find us at Valley Falls Christian Church on Facebook and the church website is [valleyfallsc.org](http://valleyfallsc.org).**

Here is my suggestion. If you don't like social media, don't do it. You have that freedom. If you don't like it very much but want to stay connected to what is going on at church, you can still join and use it simply to follow the church page and a few friends and family members. You don't have to accept every request or follow every page!

If you enjoy it, use it wisely. Don't spend too much time on it. Stop and think before posting. Especially if it could be controversial. You don't have to shy away from the truth, but expect negative comments and be tough enough and gracious enough to suffer through them. Please check out strange claims before sharing them.

Above all, whether you are talking to the neighbor across the street or to someone half way across the world on Facebook, look for opportunities to let your light shine for Jesus.

*Mike*

## CHURCH ACTIVITY FOLDERS

Activity folders contain information on a particular event that the church participates in each year (or has participated in past).

They can be added to or subtracted from as far as what activities we do. Some we've done in the past include live nativity, float in 4 H parade, coat and hat drive, etc.

Some of these could be done again if someone would like to be in charge.

Sometimes our goals change and we find certain activities are not necessary.

The folders are in the foyer on the table. We need someone to chair each activity but then we also need several people available to help. Please take a look at them and see if there is a perfect activity for you to either chair or at least help with. Picking up a folder means you direct that activity this year.

You may see a board member or a past activity leader for any questions you may have. Activities include: Mother's Day, Father's Day, Graduate Banquet, Thanksgiving Dinner, Christmas Church Celebration, Vacation Bible School, Food Boxes, and a few others.

Please be in prayer for God's direction for you. It is important that each person feels invested in the activity they choose to lead. If you think the activity is a good outreach for our church, please consider leading it. A folder which does not get picked up means there is a chance that activity will not get done this year. Perhaps if a folder does not get picked up, that is God's direction to no longer do that activity.

Some activity folders, like VBS or the Christmas Program, will require more time than others and now is the time to get going on both of these. These activities cannot be accomplished without you!

**Revival committee:** If you are interested in being on a committee to plan and schedule a revival at VFCC in 2018, please contact Pastor Mike.
